

Fancy an afternoon tea and an excuse to shop (or to have a boozy midday drink)? Sheraton Bali Kuta Resort has taken the time-honoured Victorian tradition to a stylish level with the launch of Fashion A to Tea, combining an elegant afternoon tea at The Lounge with an exciting shopping experience at Beachwalk, Kuta's retail, restaurant and entertainment hub.

Enjoy the view of the Indian Ocean and indulge in sweet decadent pastries from The Lounge's chic Tea Boutique and in sumptuous savoury Italian-Balinese-fusion treats from the hotel's restaurants, Bene and Feast, while choosing your favourite from among the Dilmah t-series designer gourmet teas or other contemporary varieties. For a more spirited experience, Fashion A to Tea offers Dilmah "Tea-tails", featuring creative concoctions of liqueurs combined with Dilmah's fine teas.

Take advantage of the shopping vouchers with special discounts at preferred Beachwalk retailers, exclusive to the resort's afternoon tea guests. Fashion A to Tea is available every day from 2-5PM at The Lounge at the Sheraton Bali Kuta Resort and is quickly becoming the most sought-after midday retreat for shopaholics and chic travellers alike. It's time for tea!
